You'll be provided with images similar to the image which is shown below and you're required to type the texts in Microsoft word without making any changes or corrections following the steps as shown in the demo video.

HERE IS A SAMPLE IMAGE OF THE TYPING

While we cannot comprehend the cosmos and its laws, we have been blessed with the intellect to understand its existence. It is up to us to make the best of our life as per these cosmic laws and live happily with contentment and fulfilment.

Those who don't understand the cosmic laws, particularly, the Law of Karma, try and object to everything that happens in their life. They live without UNDERSTANDING life's meaning and purpose till this gift of life is eventually consumed and comes to an end.

As intelligent human beings, can't we see the Law of Karma in action? Don't we understand that if we plant tomatoes, we will not get mangoes? Doesn't our common sense tell us that good will be rewarded by good and bad by bad? What would you do if someone came and offered you flowers with a smile? Would you kick them in return? On the other hand, if somebody gave you numerous punches, would you return the gesture with a gift or a smile? We human beings know that our behaviour, attitudes, and reactions are impacted by the actions of other people. We return good for good and evil for evil. The Law of Karma is no

6. Do not put any space at the beginning or ending of a line.

# HOW TO START

First of all you'll watch the video which I sent to you, after watching the video if you're confident that you can do it as shown in the video, then kindly get back to the manager quickly on your decision about the projects (which project you have selected from the above four) and follow the steps mentioned below.

1. Create a SKRILL or NETELLER account and deposit the security fee according to your selected project number in your account, then make payment to the company's account.

2. You will get your project immediately after submission of form. Next assignment will be given after checking your accuracy.

3. After that, you can go ahead and fill out the registration form which will be sent to you.

4. If the typist wants to take a break in between, he/she will have to inform the company via email before the time of submission.

5. Payment will be made to your NETELLER or SKRILL account within 24 hours after the work submission.

## SOME IMPORTANT POINTS

- You will receive and submit projects via email.
- You will send us only soft copy of output files.
- You will get your accuracy report and payment within 24 hours after submission of your work.
- You will get your payment in your NETELLER or SKRILL account within 24 hours.
- Project chosen can be changed or upgraded later.
- Due to restrictions by SKRILL and NETELLER in some certain locations in ASIA (India, Pakistan, Philippine etc.) and Africa... Alternative payment methods may be used such as (GooglePay, Paytm, Gcash, EasyPaisa, JazzCash). Alternative method like purchase of cards is also allowed.
